**Terms:** This pharmacy savings program, the Prescription Savings Club program, is administered by Emdeon of Nashville Tennessee. In administering the Prescription Savings Club program, Emdeon receives individually identifiable health information (including but not limited to the information provided on this enrollment form) from participating pharmacies, Prescription Savings Club transactions or directly from you. Your authorization is required as a condition of enrollment in the Prescription Savings Club as Emdeon must have this information to administer its point-of-sale discount prescription service. The individually identifiable health information provided to Emdeon and the participating pharmacy is not transferred, sold or otherwise disclosed to third parties, except as necessary for the proper administration of the Prescription Savings Club program or as may be otherwise required by law, and is always protected as Confidential Private Information. For additional information, including the Notice of Privacy Practices, please visit: [www.emdeon.com](http://www.emdeon.com).

**Authorization:** I understand that my signature on this enrollment form constitutes my written authorization for Emdeon to receive and use the individually identifiable health information described above for the proper administration of the Prescription Savings Club program and for marketing purposes in accordance with applicable law. This authorization shall remain in effect for the duration of my enrollment in the Prescription Savings Club. I have the right to revoke this authorization in writing at any time by contacting Emdeon at 3055 Lebanon Pike, Nashville, TN 37214 except to the extent that my medical information has already been used or disclosed in reliance on this authorization. However, because this information is essential to the administration of this program, my revocation of this authorization shall result in cancellation of my enrollment in the Prescription Savings Club program. If you are signing on behalf of dependent family members, your signature verifies that you are the parent/legal guardian or the authorized representative of the individuals identified above.

**Disclosures:** This discount program is NOT a health insurance policy and is not intended as a substitute for insurance. This program only provides for discounts on health services from participating pharmacies. This program does not make payments to providers of health care services. Members are required to pay for all health care services, but will receive a discount from the participating pharmacy. This program is administered by Emdeon, 3055 Lebanon Pike Nashville, TN 37214, 615-932-3000, [www.emdeon.com](http://www.emdeon.com) and is marketed by Emdeon. This program provides savings on a select group of prescription drugs received from participating pharmacies. This program is not available in all states. This program does not make payments directly to any provider; you are obligated to pay for all services at the time of the service. Membership and activation fees apply. This program is governed by the terms outlined in this enrollment form. Prescriptions paid for in whole or in part by publicly funded health care programs, such as Medicare and Medicaid, are ineligible. Membership discount cannot be combined with any insurance.

**Cancellation and Termination:** You may cancel your membership in this program at any time. To cancel your membership in this program, contact your local pharmacy and inform them of your choice to no longer participate in the Prescription Savings Club.

**Contacting Us:** If you have questions about this program, please contact your participating pharmacy.

## PRESCRIPTION SAVINGS CLUB

# FLAT-PRICED GENERIC DRUG LIST (EMDEON)

Effective April 13, 2015

The *Prescription Savings Club* provides its members with significant savings on prescription medications. The medications listed are available in commonly prescribed metric quantities: 30-day and 90-day for \$4.99 and \$11.99 respectively. (60-day formulary pricing available on most listed medications for \$8.99.) All other drugs not in the list are sold at a discount. It is recommended that you share this list of medications with your physician. Specifically, ask your physician if a generic alternative is available and clinically appropriate for you. This list is subject to change.
